- This enables clients worldwide to purchase without needing SWIFT or bank transfers.
- For more information visit our website and register on the ambassador portal

Note; only limited amount of bullion coins on a monthly basis

Purchasing Gold

1. Licensed Activity Zambesi ZGD Token. operates under a valid commodities license for gold-related transactions and offerings.
2. Nature of Gold Transactions Gold purchases through the Portal involve tangible assets. Availability, valuation, and delivery are subject to operational, regulatory, and market conditions.
3. No Custodial Responsibility Unless specifically agreed otherwise in writing, we do not provide long-term storage, safekeeping, or insurance services for user gold holdings.
4. Market Risk and Pricing Gold prices fluctuate. You accept the risk of market movements, supply disruptions, or regulatory changes when purchasing gold.
5. Redemption and Withdrawal Where redemption options exist (e.g., exchanging tokens for gold), terms, conditions, fees, and eligibility criteria will apply. Redemption is not guaranteed.
6. No Investment Advice We provide access to gold but do not offer financial or investment advice. You are encouraged to seek independent advice before purchasing.
7. Acknowledgment of Risks By purchasing or redeeming gold via the Portal, you confirm that you have read and understood our Financial Risk Disclosure.
